FUTURE LEADERS IN CHEMICAL ENGINEERING
An award symposium for undergraduate researchers
September 20 - 21, 2020

The Symposium
Future Leaders in Chemical Engineering is a one and one-half day, all-expense paid research symposium at NC State University recognizing the top undergraduate researchers in chemical engineering in the United States. Chemical engineering researchers (and those in related fields) who are within one year of graduating are eligible to apply.

Winners
Awardees will receive a plaque and present their research at a research symposium held September 20-21, 2020 on Centennial Campus at NC State University in Raleigh, NC. The symposium will also include information about applying to graduate school and fellowships. Students must be present to be eligible.

Apply
Applications due by August 1st.
