Future Leaders in Chemical Engineering is a one and one-half day, all-expense paid research symposium at NC State University recognizing the top undergraduate researchers in chemical engineering in the United States. Chemical engineering researchers (and those in related fields) who are within one year of graduating are eligible to apply.

Awardees will receive a plaque and present their research at a research symposium held October 24 - 25, 2021 on Centennial Campus at NC State University in Raleigh, NC. The symposium will also include information about applying to graduate school and fellowships. Students must be present to be eligible.

Applications due by September 24th.
