

FUTURE LEADERS IN CHEMICAL ENGINEERING

An award symposium for undergraduate researchers
October 10 - 11, 2024

The Symposium

Future Leaders in Chemical Engineering is a one and one-half day, all-expense paid research symposium at NC State University recognizing the top undergraduate researchers in chemical engineering in the United States. Chemical engineering researchers (and those in related fields) who are within one year of graduating are eligible to apply.

Winners

Awardees will receive a plaque and present their research at a research symposium held **October 10 - 11, 2024** on Centennial Campus at NC State University in Raleigh, NC. The symposium will also include information about applying to graduate school and fellowships. *Students must be present to be eligible.*

Apply

Applications due by **August 12, 2024.**
