Best Moments in ChemE  
**Group Photos**

# **Bachelor of Science Degrees**

# Daisy Aguilar

*Concentration: Biomolecular*

*Minor: Biotechnology*

Favorite Memory: My favorite memory was traveling with my senior design team to Tennessee for our presentation.

**Andrew Alexander**

**Qusai Almalki**

# Sebastian Almanza

*Concentration: Biomolecular*  
*Minor: Biotechnology*

Favorite Memory: Trip to the outer banks with the Sullivan Hall housing staff. We stargazed on the beach, visited the dunes at kitty hawk, and had the genius idea of swimming in January.

# Caroline Anderson

*Concentration: Biomolecular  
Minor: Biotechnology*

Favorite Memory: Finishing Transport II

# Varun Atree

*Dual degree in CHE/Paper Science  
Minor: Business Administration*

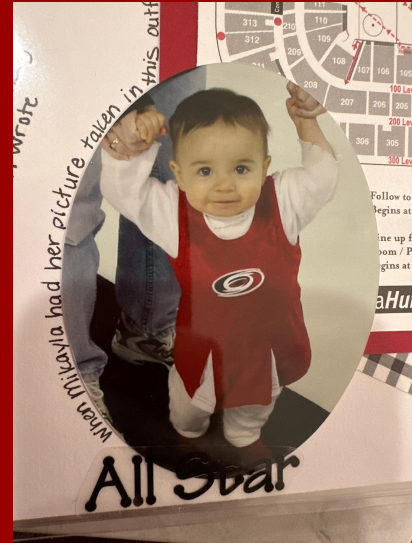

Favorite Memory: PIE trip to Finland with friends and professors in the PSE department!

# Mikayla Atwood

*Concentration: Sustainable Engineering,  
Energy, and Environment  
Minor: Nutrition*

Favorite Memory: Beating Duke to get to the final 4  
and going to the Bell Tower!

# Sarah Bailey

*Minor: Business Administration*

Favorite Memory: Beating Clemson in football and storming the field!!

# Iustina Banerji

*Concentration:*

*Biomanufacturing*

*Minor: Biomanufacturing, Economics*

Favorite Memory: Any and all sporting event - go pack forever!

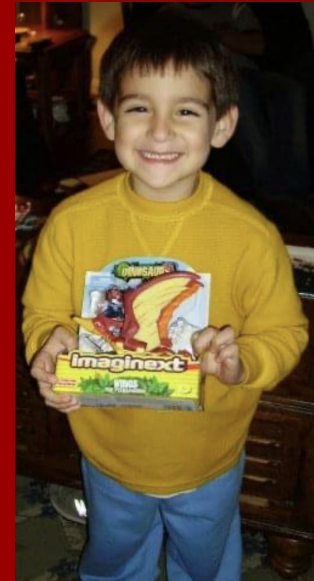

**Ethan Basinger**

# Evan Baxley

Favorite Memory: Rushing the Bell Tower after beating Duke in the men's NCAA basketball tournament to make the final four.

# Caitlin Beckett

*Concentration: Sustainable Engineering,  
Energy, and the Environment*

Favorite Memory: Dragging Kaitlyn John down the bleachers and rushing the field with her after winning against Clemson in football! Oh and of course rushing the field a second time with her after winning against UNC!

# Jacob Bell

*Minor: Economics*

Favorite Memory: Catching a goose in the Oval

# Ryan Bishop

*Concentration: Biomanufacturing*

Favorite Memory: NCSU football games!

# Ava Bowen

Favorite Memory: Passing all of my classes and meeting Paige Wheeler!

# John Bowker

Favorite Memory: Every UNC-NCSU football game, especially the 2022 2OT thriller.

# Morgan Bradley

*Concentration: Biomolecular  
Minors: Business Administration,  
Biotechnology*

*Favorite Memory: One of my favorite memories was traveling to Paris for Spring Break with the Scholars Program. Also, NC State winning the Men's Basketball ACC tournament is unforgettable!*

# Davis Brandberg

*Minor: Economics*

Favorite Memory: Going to NC State football games and tailgates.

# Brianna Bui

Favorite Memory: My favorite memories from college were the wine and design or game nights with my friends.

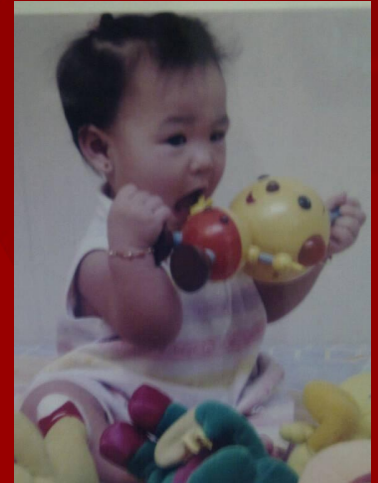

# Anicka Cajigal

*Concentration: Biomanufacturing*

Favorite Memory: Late night studying with friends

Joshua Carter

**Julie Casavant**

# Regan Cella

Concentration: *Biomanufacturing*

Minor: *Biomanufacturing*

Favorite Memory:

Our last-minute win against UNC in football in 2021

# Lance Clark

*Concentration: Sustainable Engineering,  
Energy, and Environment  
Minor: Environmental Science*

*Favorite Memory: Going out and working on the  
Pigeon House Creek restoration. It was a nice change  
of pace compared to my engineering work.*

# Cami Clickner

*Minors: Horticulture and Japanese*

Favorite Memory: Final Four!!!

# Braxton Coggins

*Minor: Business Administration*

Favorite Memory: Making new friends and football tailgates.

**Jacob Cox**

# Weston Cregger

*Dual Majors in Paper Science and CHE*

Favorite Memory: Studying abroad in Finland with my peers in Paper Science and Engineering and Chemical Engineering. This experience made me a better global citizen and engineer while opening my mind to working internationally. NC State's miracle run this March is a close second!

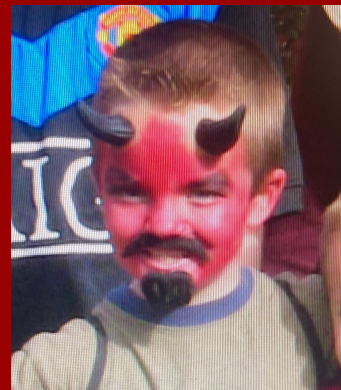

# Sydney Crush

Favorite Memory: The night it snowed a couple of inches and everyone went sledding on campus with any object that would work.

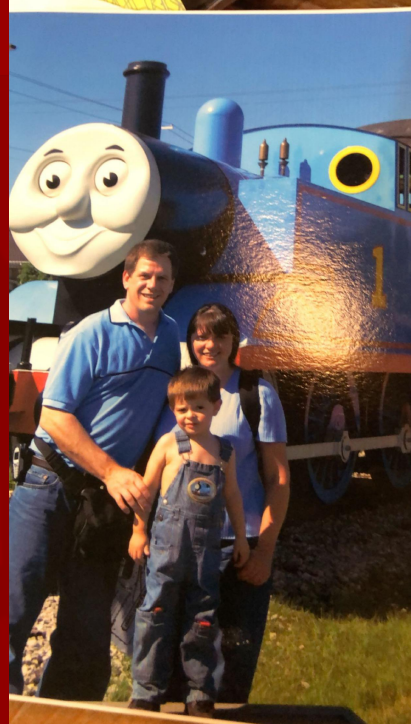

# Eric Dattalo

Favorite Memory: Final Four!

# Dominick DePaola

Favorite Memory: My favorite college memories have been all of my road trips and friend visits

# Jordyn Derbes

*Concentration: Biomolecular*  
*Minor: Biotechnology*

Favorite Memory: My favorite memory would be storming Carter-Finley after our win against Clemson and UNC in football and more recently rushing the Belltower after making it to the Final Four!

# Teresa Dewosky

*Concentration: Biomanufacturing*

*Minor: Biomanufacturing*

*Favorite Memory: Getting the opportunity to move up to Boston for a semester to co-op!*

# Hannah Dickerson

*Concentration: Biomanufacturing*

*Minor: Biomanufacturing, Biological Science*

*Favorite Memory: Watching NCSU win the ACC Championship!*

# James Do

Favorite Memory: Playing intramural Soccer and Volleyball.

# Kaleb Estridge

*Minor: Business Entrepreneurship*

Favorite Memory: NC STATE BASKETBALL!!!  
GO WOLFPACK!!!

# Sydney Epps

*Minor: Spanish*

Favorite Memory: Taking random walks around campus in between classes with friends.

# Sam Everhart

*Concentration: Sustainable Engineering,  
Energy, and Environment  
Minor: Environmental Science*

*Favorite Memory: Camping in the mountains with my  
friends and climbing Mount Mitchell in the pouring  
rain*

# Stephanie Falcone

*Minor: Mathematics*

Favorite Memory: Playing Club Soccer, meeting my friends, and going to football games!

# Matt Feeney

Favorite Memory: Leaving campus on a Friday

# Ayden Ferrell

*Concentration: Biomanufacturing*  
*Minor: Horticulture Science*

Favorite Memory: Some of my favorite memories with friends in ChemE include going to Sammy's after exams to celebrate making it through another semester and watching FIFA World Cup matches at BTEC with Iustina Banerji, Peter Newenhsen, Titus Szobody, Michael Tozer, and Olivia Zlotnicki! Being a part of Chi Alpha Christian Community has also been a huge blessing throughout my time at NC State.

# Delaney Fields

*Concentration: Biomolecular  
Minor: Biotechnology*

*Favorite Memory: My favorite memory from college is weekly pickleball games at Carmichael with friends*

# Mara Fischer

*Concentration: Sustainable Engineering,  
Energy, and Environment*

*Favorite Memory: Learning, playing,  
discovering, and meeting incredible people  
along the way*

# Jack Fuhrer

Favorite Memory: Noah's 21st birthday

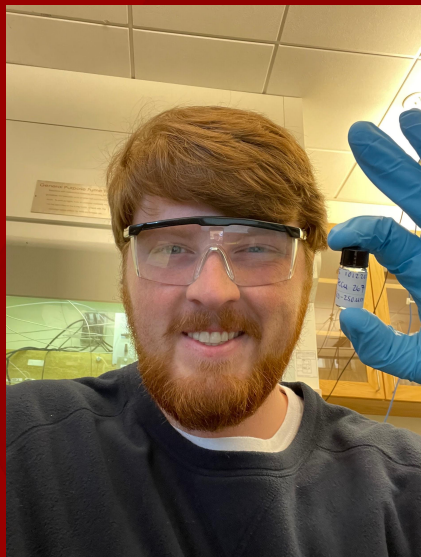

# Ashley Nicole Gates

*Concentration: Biomolecular*

*Minor: Biotechnology, Microbiology*

Favorite Memory: Going to Rwanda and  
doing engineering challenges with the  
primary school kids

# Eric Alexander Giavedoni

*Concentration: Sustainable Engineering, Energy, and Environment*

*Favorite Memory: My favorite memories from college include interacting with the Free Moms, studying with friends, and performing with the Grains of Time!*

# Ariana Gomez

*Minor: Biotechnology*

Favorite Memory: Bonfires with friends after finishing finals!

# Ian Goodall

Favorite Memory: Making the extra credit video for Thermo 2, and completely butchering one of the most famous scenes from a western movie. We had a lot of fun making it, and it was a great way to end the hardest semester.

Peter Gough

# Jessie Hainline

*Biomanufacturing*

*Minor: Biological Sciences*

Favorite Memory: Going on late on-campus walks in the rain with my freshmen engineering friends.

# Skylar Harrelson

*Concentration: Biomanufacturing*

*Minor: Statistics and Biological Sciences*

*Favorite Memory: Rushing the Belltower when State beat Duke in men's basketball*

# Trey Hester

Favorite Memory: I loved attending the Men's Basketball Final Four appearance in Arizona.

# Steven Hoang

Favorite Memory: Krispy Kreme Run and late night walks around Centennial and around Lake Raleigh.

# Noah Hunter

*Minors: Materials Science and Math*

Favorite Memory: My favorite memory would be staying up all night with friends to finish a 3 year-long Dungeons and Dragons campaign.

# Saurav Jain

*Minor: Biomanufacturing*

Favorite Memory: Winning the 11-a-side Soccer  
Intramural Championship

# Ben Jakes

Favorite Memory: Reemerging once the weather started to get warm every spring and seeing the whole campus alive playing music or spikeball or just hanging out on the quad and admiring the community that we had built together!

# Parker Janson

Favorite Memory: Having a fire in our friend's backyard and enjoying each others company while good music is playing!

# Kaitlyn John

*Concentration: Biomolecular*

*Minor: Biotechnology*

**Favorite Memory:** Every football Saturday! I enjoyed every Saturday where all my roommates would get ready together and then my friends would file in one by one into our house. We would walk around the tailgates all together and then rush into the stadium to get a good view to cheer our hearts out for the PACK!

# Emma Johnson

*Concentration: Sustainable Engineering,  
Energy, and Environment  
Minor: Environmental Science*

*Favorite Memory: All of my amazing spring breaks,  
and of course dinner & show.*

# Amanda Kaskon

Favorite Memory: Free moms singing me happy birthday and having the basketball team do amazing this year!

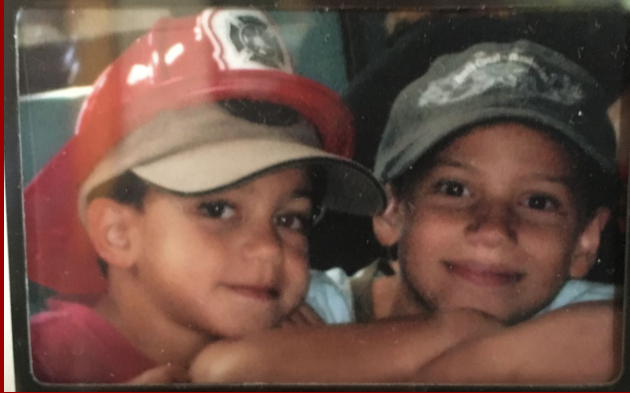

**James Kelley**

# Jaclyn Kenzel

*Concentration: Biomanufacturing  
Minor: Biological Sciences*

*Favorite Memory: One of my favorite memories from my college years has been the simple joy of hanging out with friends, whether we were in the library studying, going to concerts, getting food, or celebrating after a 7pm physics exam.*

# Eli Kerstein

*Concentration: Biomanufacturing*  
*Minor: Biomanufacturing*

*Favorite Memory: Going to N.C. State football g  
and chanting our fight song GO PACK!!*

# Seongeun Kim

Favorite Memory: Passing Thermodynamics and  
Transport classes

# Trae Knight

*Dual majors in CHE and Paper Science*

*Favorite Memory: Paper science trip to Finland*

# James Kurdi

*Concentration: Biomolecular*  
*Minor: Biotechnology*

Favorite Memory: Spring break to Medina and Mecca  
in March 2022

# Sarah LaCivita

*Minor: Biomanufacturing*

Favorite Memory: Late night drives downtown!

# Emma Lasarsky

*Concentration: Biomolecular  
Minor: Biotechnology*

*Favorite Memory: My favorite memory from college was the football game against Clemson in 2021, where we won in double overtime and rushed the field!*

# Anna Lawrence

*Concentration: Sustainable Engineering,  
Energy & the Environment  
Double Major: Science, Technology, and  
Society*

*Favorite Memory: My favorite memory is from  
freshman year during Shack-A-Thon. I spend the  
night in the Goodnight shack with my mentor and  
then I went rock climbing with her for the first time.*

# Bryana Lawry

*Double Major: Paper Science Engineering*

Favorite Memory: In May of 2023, I had the opportunity to go to Finland with a group of PSE and ChE students for the Paper International study abroad trip. Experiencing this new culture and new places with a group of my peers is something I will never forget!

# Daniel Lee

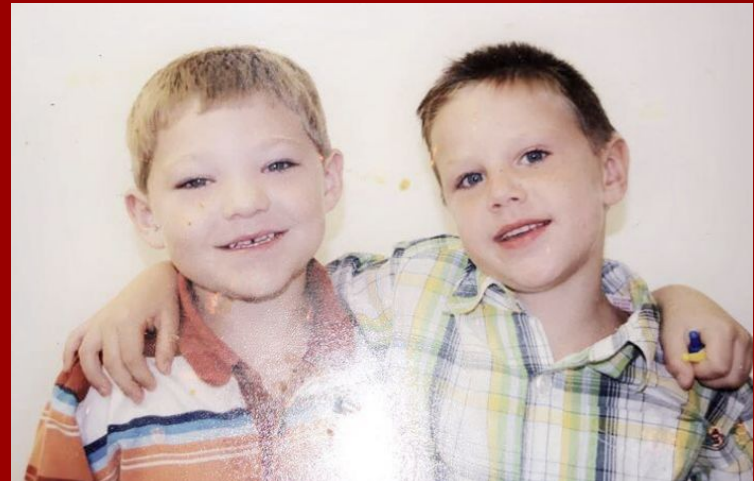

*Concentration: Biomanufacturing  
Minor: Science, Technology and Society*

*Favorite Memory: Rushing Hillsborough St.  
when NCSU beat Clemson in football in 2021*

# Tate Lee

Favorite Memory: Attending NCSU sporting events, particularly upsetting Clemson in '21 and stunning Carolina in '22 in OT.

# Brandon Leib

*Concentration: Biomanufacturing  
Minor: Biomanufacturing, Pulp & Paper Tech*

Favorite Memory: My freshman year, my roommates and I would play different card games every night - from hearts and spades to poker and mafia. We would switch around going between Sullivan and Lee with our close-knit group. Pretty basic but just one of those memories you can always look back at and get a smile from.

# Rachel Leiner

*Concentration: Biomanufacturing*

*Favorite Memory: Going to Wolfstock and watching the Backseat Lovers and Coin perform!*

# Michael Litavec

*Double Major: Paper Science & Engineering*

Favorite Memory: Winning the ACC Championship!!!  
Go PACK!!!

# Jackson Lods

*Concentration: Sustainable Engineering, Energy  
& the Environment*

*Minor: Math*

Favorite Memory: My favorite memory is going to  
Lake Raleigh at night with friends and a telescope.

# Andrew Lovelett

*Concentration: Biomolecular*

*Minor: Business Entrepreneurship*

*Favorite Memory: Coming to NC State has been the greatest experience for me, and I am so glad that I was able get my degree and change careers.*

# Elizabeth Mackey

Favorite Memory: I have had a blast during my time at NCSU. One of my favorite things to have happened to me during my time here was when I appeared in a photo in the Technician, where I was petting a therapy dog (Delilah).

# Drew Madren

*Favorite Memory: Beating UNC in football 3 years in a row*

# Cristina Martinez-Mata

*Concentration: Biomanufacturing  
Minor: Microbiology & English*

Favorite Memory: Going to Puerto Rico for a  
conference

# Jackson Massey

Favorite Memory: Rushing the bell tower after the men's basketball ACC Championship

# Aidan Maune

Favorite Memory: My favorite memory from my time at NC State was Halloween of 2020. My friends and I hosted an epic Halloween party, but most important, it was when I struck things off with my girlfriend, Hannah.

# Trey McCoy

*Concentration: Biomanufacturing*

*Favorite Memory: One of my favorite college memories is from sophomore year when we had the big snow day. It was so fun sledding down the Court of Carolinas and having spontaneous snowball fights around campus/apartments.*

# Sydney Mcgraw

*Concentration: Biomolecular  
Minor: Biotechnology*

Favorite Memory: I loved attending the AIChE conferences! It was really cool getting to explore Phoenix with everyone. I also loved going to football games and hosting tailgates!

# Yuniva Mendoza- Apodaca

*Double Major: Chemistry*

Favorite Memory: I absolutely enjoyed everything at NC State, especially the people I've met through my classes and experiences outside of the university. Being able to go to multiple states and doing summer research was an experience I would never change for anything.

# Miles Merriweather

*Concentration: Biomanufacturing*

Favorite Memory: Spring break trip to Italy with my friends.

**Braydon Miley**

# Isabella Miller

*Minor: Business Administration*

Favorite Memory: Some of my favorite memories include twinning with Gina for our orgo final, the Icepack game at Carter Finley, and all the football tailgates!

# Gina Mollica

*Concentration: Biomanufacturing*

Favorite Memory: My favorite memory from my time at NC State was rushing the field after our football team beat Clemson during the 2021 season. My friend also broke her phone on Devin Leary's shoulder pads.

# Joe Murray

*Concentration: Biomanufacturing*

*Favorite Memory: Backpacking trip at Joshua Tree National Park with my roommate Junior year*

# Cameron Neally

*Concentration:* Sustainable Engineering,  
Energy, and the Environment

*Favorite Memory:* My favorite college memory was when we beat Clemson in football at home and rushed the field!

# Belen Neumann

*Concentration: Biomolecular*

*Minor: Biotechnology and Teamwork in  
Interdisciplinary Biomedical Research*

*Favorite Memory: Going sledding in the Court of  
Carolinas on the snow day!*

# Peter Newenhisen

*Minors:* Computer programming and Pulp and Paper Science

*Favorite Memory:* Going out to groups dinners at the beginning and end of the semesters.

# Dylan Pham

*Concentration: Biomolecular*

Favorite Memory: Spending late nights with my friends studying for thermo and transport while eating Cookout

# Savannah Powers

*Concentration: Biomanufacturing*

Favorite Memory: Getting engaged!!! I also loved every football game and storming the field after a victory over Clemson!

# Lyndsey Proctor

*Concentration: Biomanufacturing*

Favorite Memory: Rushing the football field when NC State beat UNC my sophomore year

# Kendall Putnam

*Double Major: Chemistry*

**Favorite Memory:** My favorite memory is going to the State Fair with friends! I'll never live it down for laughing at my friend's screaming on the drop tower (sorry Yuniva)

# Brooke Roed

*Concentration: Biomanufacturing*

Favorite Memory: My favorite memories in college include cheering on the Wolfpack at football and basketball games.

# Jalen Rush-Robertson

*Minor: Biology*

Favorite Memory: The end.

# Elijah Rushing

# Polina Rusinovich

*Biomanufacturing and Biological  
Sciences Minors*

Favorite Memory: First two ever  
football games were vs Clemson and  
UNC sophomore year where we went  
to overtime for both and won.

# Azin Saberi

*Concentration: Sustainability*  
*Minor: Business Administration*

*Favorite Memory: Running and managing the engineering career fair as a career fair coordinator!*

# Dylan Savant

*Concentration: Nanoscience*

*Minor: Ethics*

Favorite Memory: Getting to travel Europe during the summer with my girlfriend. I saved money from working my CO-OP to pay for it which was very gratifying.

# Charlotte Schababerle

*Concentration: Biomolecular*

*Minor: Biological Sciences and  
Biotechnology*

*Favorite Memory: Going on trips with my  
roommates. We've been to over 5 states together :)*

# Jenna Schulz

*Concentration: Sustainable Engineering  
Minor: Energy and the Environment*

*Favorite Memory: Watching all of the football and men's and women's basketball games with my close friends.*

# Ian Seidel

*PSE and CHE Dual Degree*

Favorite Memory: I'm not sure anything will compare to attending the Stadium Series hockey game at Carter-Finley Stadium. It was incredible to watch the game on the same level as the ice and interact with some local Canes legends.

# Rylee Sepesi

*PSE and CHE Dual Degree*

Favorite Memory: Rushing the belltower for our Wolfpack Basketball wins. Can't believe we're making history and we all get to be a part of it before graduation!

# Cooper Seward

*Minor: Food Science*

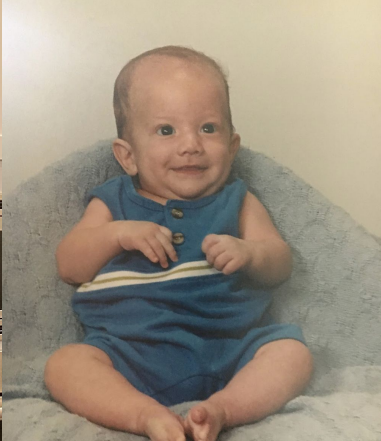

Favorite Memory: The Krispy Kreme Challenge! I did two in-person Krispy Kreme Challenges, and I improved my time (between the two) by seven minutes!

# Alea Sigmon

*Concentration: Biomanufacturing*  
*Minor: Biomanufacturing*

*Favorite Memory: Beating UNC in  
literally any sport ever (and that 2021  
Football win over Clemson).*

# Payton Smith

Favorite Memory: Storming the field after beating Clemson.

# Mark South

*Concentration: Biomanufacturing*

*Favorite Memory: Getting hands-on experience in the biomanufacturing industry by spending time at BTEC.*

# Olivia Sowa

*Concentration: Biomanufacturing*

Favorite Memory: Sailing for NC State and qualifying for nationals!

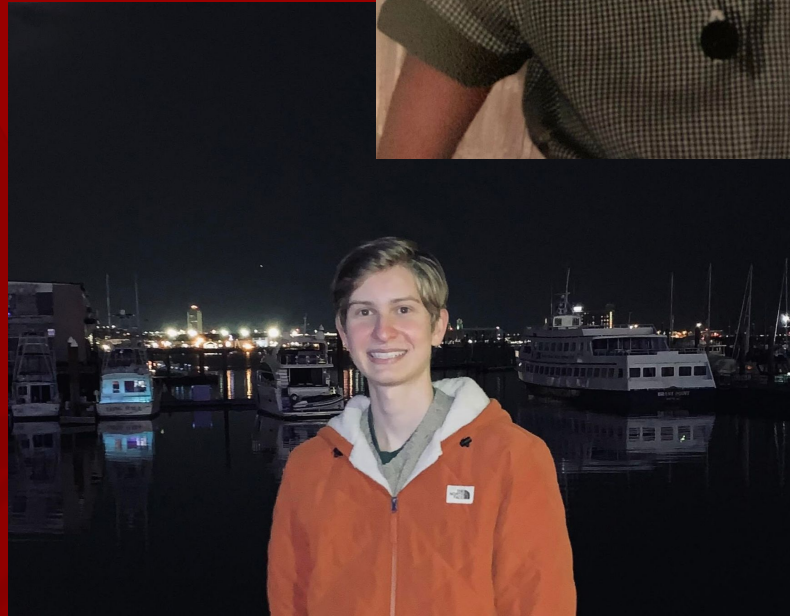

Ashwin Srikanth

# Noah Stallcup

*Concentration: Sustainable  
Engineering, Energy, and the  
Environment*

*Favorite Memory: Moving into my dorm  
and meeting my roommate freshman year.*

# Jacob Stana

*Concentration: Biomanufacturing*

*Favorite Memory: Sitting front row for football  
& basketball upsets!*

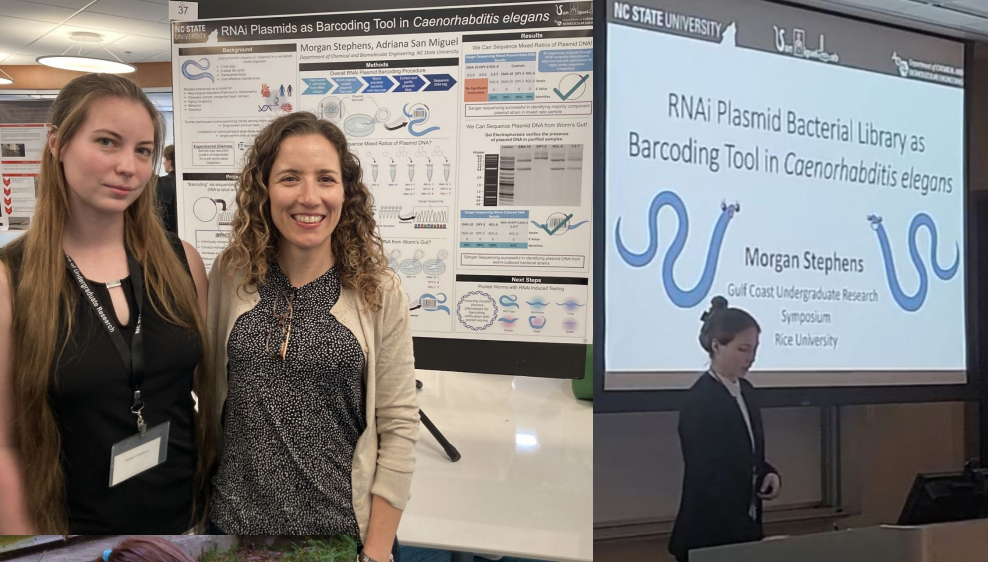

# Christine Stark

*Concentration: Biomolecular  
Minor: Biotechnology and Tissue Engineering*

Favorite Memory: The Krispy Kreme Challenge and Solar Eclipse.

# Morgan Stephens

*Concentration: Biomolecular  
Minor: Biotechnology; Biomanufacturing  
Certificate*

*Favorite Memory: My favorite memory from my time at NC State is being part of the San Miguel Lab. This has allowed me to discover a passion for research and has helped encourage me to now pursue a PhD in Chemical Engineering.*

# Callie Stober

*Minor: Biology, Business Administration*

*Favorite Memory: Winning the ACC Championship!*

# Eythan Suber

*Concentration: Biomolecular*

Favorite Memory: Participating in undergraduate research and hanging out at the library with all my friends.

# Bennett Surrett

*Dual Major in Paper Science and Engineering  
Minor: Business Administration*

Favorite Memory: Going to Finland with my classmates last May was my favorite memory from college. So many memories were made that I will cherish forever.

# Titus Szobody

*Concentration: Nanoscience*

*Minor: Materials Science and Engineering*

*Favorite Memory: Watching the 2022 World Cup on Centennial Campus!*

# Hadyn Taylor

# Colin Thieken

*Concentration: Biomolecular*

*Minor: Biotechnology*

Favorite Memory: I really enjoyed the celebrations after the NCAA tournament wins, as well as the celebrations after Separation Processes midterms.

# Nathan Thompson

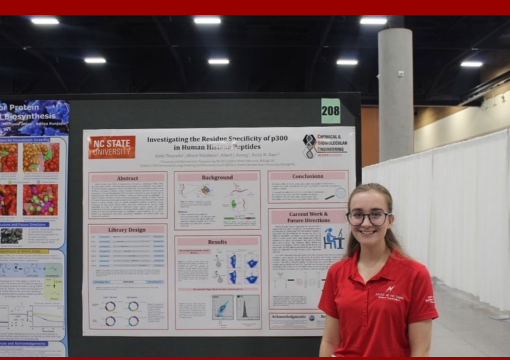

Favorite Memory: Looking back my favorite college memory is from my freshman year when NC State football beat Clemson in overtime. Watching everyone storm the field and just being a part of that atmosphere was an unforgettable experience.

# Michael Tozer

Favorite Memory: Watching NC State beat UNC in football three years in a row!

# Katie Traynelis

*Concentration: Biomolecular  
Minor: Biotechnology*

*Favorite Memory: My friends and I would always get dinner together and bring it to campus on the evenings that we had major exams. We had lots of good food before our Thermo Parties!*

# Nick Triplett

*Concentration: Biomanufacturing*  
*Minor: Biomanufacturing*

*Favorite Memory: My favorite memory was my junior year rugby season and getting to travel to Houston to compete for the national championship.*

# John Vargas

*Concentration: Biomolecular*

*Minor: Biomanufacturing*

*Favorite Memory: Sophomore year we taste tested almost every pizza place in Raleigh and gave away slices to anyone on campus at 2 am. Benny's was the best because they had a 40" pizza for \$20 at the time.*

# Tyler Void

Favorite Memory: My favorite memories stemmed from the trips I had to connect with friends in other organizations. Traveling to Phoenix with AIChE, Anaheim with NSBE, and the Grand Tetons with Caldwell Fellows.

# James Voos

*Minor: Biomanufacturing*

Favorite Memory: Rushing the field after beating Clemson!

# Sotharoath Vuthy

*Concentration: Biomanufacturing*

Favorite Memory: Going to the games, rushing to the bell tower after winning bball, doing a 6-day road trip in a van with my roommates, late nights in hunt/doing work in plant sciences building.

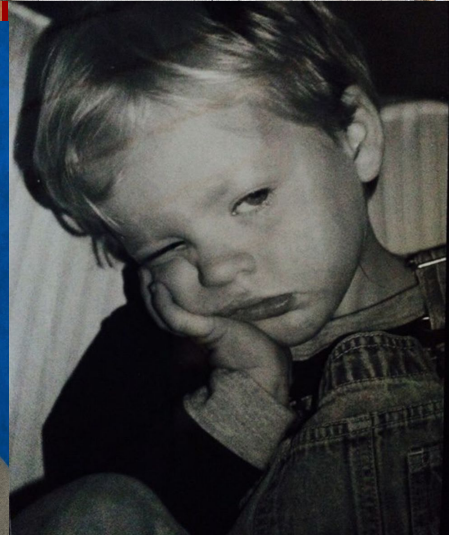

# Chris Wakeford

*Concentration: Biomanufacturing*

*Minor: Biomanufacturing*

Favorite Memory: Consistently ordering DP Dough to Hunt Library at 2am.

# Samantha Walker

*Concentration: Biomanufacturing*

Favorite Memory: Watching NC State get to the Final Four at Brickhouse! I am so glad to be a part of such great school spirit.

# Stewart Walter

*Minor: Business Administration*

Favorite Memory: Final Four!

# Jake Weinstock

*Concentration: Biomanufacturing*

Favorite Memory: One of my favorite memories from college has been participating in Shack-a-Thon over the years.

# Paige Wheeler

Favorite Memory: Meeting my freshman year friend group who took care of me when I got COVID.

# Abi Willette

*Concentration: Sustainable  
Engineering, Energy, and the  
Environment*

Favorite Memory: Grabbing dinner with my friends before late night exams and rolling into the exam together. I really couldn't have gone through such tough classes without them.

# Noah Williams

*Minor: Biomolecular Engineering*

Favorite Memory: Rushing the field  
when we beat UNC.

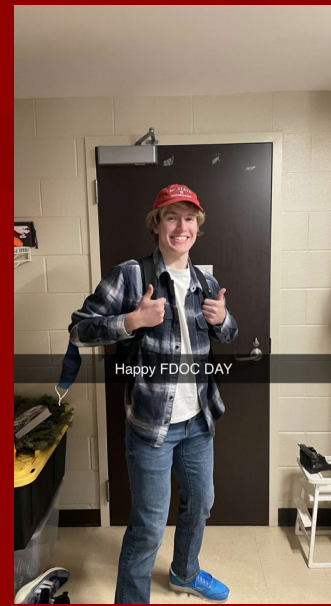

**Connor Wrought**

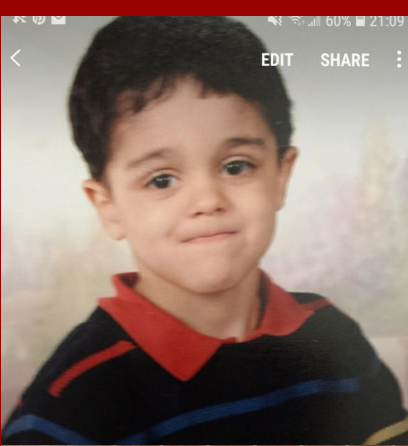

# Sam Wysocki

*Concentration: Biomanufacturing*  
*Minor: Biomanufacturing*

**Favorite Memory:** My favorite memory from college was the day I almost passed out biking. It was the longest ride with my friend I had ever been on and I ran out of water. I had the biggest feast at Fountain and to my luck they had all of their best food available. I took the best nap of my life. It was cool and the covers were perfectly comforting. The sun was gleaming in on my face providing the perfect radiance. I awoke feeling the most rested I had ever felt. I was completely rejuvenated and wonderfully relaxed. Once I was up, my friends were playing ultimate frisbee in the field.

# Amine Yahia

Favorite Memory: Rushing Hillsborough St. after winning the ACC championship and after beating Duke to get to the Final Four.

# Brendan Yoo

*Minor: Biological Sciences*

Favorite Memory: My favorite memory from my time in college was running onto the field after NC State beat #9-ranked Clemson in football in 2021.

# Owen York

Favorite Memory: All the memorable concerts I attended senior year with amazing people.

# Zimo Zhou

Favorite Memory: I transferred to NC State with an environmental engineering major. Switching to ChemE is one of the best decisions I have ever made.

# Olivia Zlotnicki

*Minor: Food Science*

Favorite Memory: Even though it's fairly recent, NC State's run in March Madness this past year has been awesome to watch. Getting to witness something like that as a student and join in the celebrations has been amazing.

# Master of Science Degrees

# Daniel Addington

Favorite Memory: As a distance student, I enjoyed being able to expand my understanding of chemical engineering principles while being able to work full time. My studies at NC State enabled me to complete a life goal of obtaining my P.E. license by preparing me to pass the P.E. exam.

# Mesbah Ahmad

Favorite Quote: “But I have promises to keep, and miles to go before I sleep.” – Robert Frost

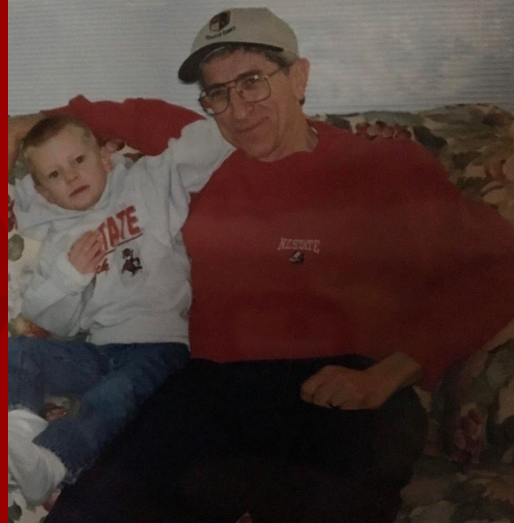

**Abdulaziz Ajeeli**

# Ali Alali

Favorite Memory: My favorite memory is overcoming the initial challenges and headaches, especially since I graduated from undergrad nine years ago. Despite the struggles, I'm grateful for the strong friends and connections I built outside of studying.

# Tyler Grainger-Sink

**Teja Karra**

# Vamsy Vaishnavi Kolluru

Favorite Memory: Surviving Thermodynamics and  
CHE 711 without calling 911...haha, I am not kidding!

**Michael John Leffler**

**Tyler Woodrow Lyons**

**Isaac Mieding**

**Jonathan David Miller**

**Hicham Moran**

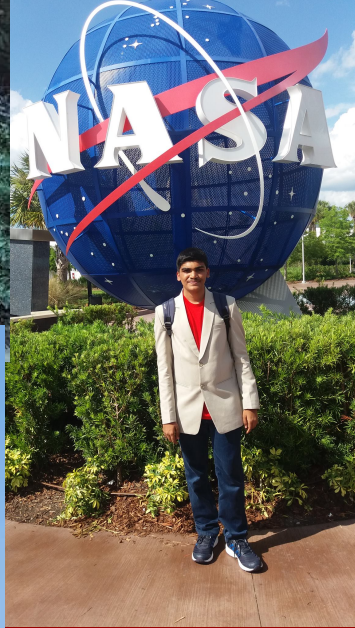

# Claire Murphy

# Sarvesh Anand Nadkarni

Favorite Memory: Making new friends and organizing a road trip. A standout memory was winning the Intramural Cricket Tournament at NC State.

Jimmy Nguyen

# Donna Nolen-Weathington

# Wajahat Yusuf Sayyed

# Shivani Sutrave

Favorite Memory: Learning to use the confocal microscope in Dr. Hsiao's lab

# Bret William Tantorno

# Mann Verlekar

Favorite Memory: Late-night study sessions that turned into philosophical debates, where we not only solved complex equations but also the mysteries of the universe over coffee.

**Ashika Verma**

# Rony Andrew Waheibi

**Yuxuan Wu**

**Jiangfeng Xu**

# Sneehasree Reddy Yekkaluri

Favorite Memory: Those late nights spent in the library with my classmates tackling those daunting 700 level course assignments. It was like diving into an epic quest each time, armed with textbooks, caffeine, and a whole lot of determination.
